

**\*\* Call for Papers! \*\***

**Southern Section of the American Society of Plant Biologists  
Annual Meeting  
April 10-12, 2010 in Knoxville, TN**

**Tentative Program:**

- Opening Sat night mixer, Sat April 10th
- Oral and poster presentations, Sun April 11th
- Banquet with Student Awards, Sun April 11th
- Featured Symposium on Regulatory Small RNAs in Plants, Mon April 12th

**Symposium Speakers**

<b>Dr. Guiliang Tang</b> Assistant Professor of Plant Science University of Kentucky	<b>"Gene Regulation by Small RNAs and the Technological Application in Plants"</b>
<b>Dr. Zhixin Xie</b> Assistant Professor of Biological Sciences Texas Tech University	<b>"Exploring the small RNA world using plant model systems"</b>
<b>Dr. Stephen Moose</b> Associate Professor of Maize Functional Genomics/Genetics University of Illinois	<b>"Functional Diversity for Small RNA Pathways Regulating Maize Shoot Development"</b>

**Register on-line:  
[www.ss-aspb.org](http://www.ss-aspb.org)**

**Accommodations:**

The Knoxville Hilton, [www.knoxville.hilton.com](http://www.knoxville.hilton.com)  
Rooms \$84.00/night; Code is "ASPB" for special rate.
