

**** Call for Papers! ****

**Southern Section of the American Society of Plant Biologists
Annual Meeting
April 10-12, 2010 in Knoxville, TN**

Tentative Program:

- Opening Sat night mixer, Sat April 10th
- Oral and poster presentations, Sun April 11th
- Banquet with Student Awards, Sun April 11th
- Featured Symposium on Regulatory Small RNAs in Plants, Mon April 12th

Symposium Speakers

Dr. Guiliang Tang Assistant Professor of Plant Science University of Kentucky	"Gene Regulation by Small RNAs and the Technological Application in Plants"
Dr. Zhixin Xie Assistant Professor of Biological Sciences Texas Tech University	"Exploring the small RNA world using plant model systems"
Dr. Magdy Alabady Energy Bioscience Institute (EBI) Institute for Genome Biology (IGB) University of Illinois	"Genomical and functional analysis of the small RNA and mRNA transcriptome and degradome of Miscanthus x giganteus"

**Register on-line:
www.ss-aspb.org**

Accommodations:

The Knoxville Hilton, www.knoxville.hilton.com
Rooms \$84.00/night; Code is "ASPB" for special rate.
